CAREER OBJECTIVE

A detail-oriented recent college graduate with a Bachelor of Science degree in Elementary Education from the University of Missouri (M-I-Z!). I am aiming to leverage academic experience and proven knowledge of classroom management, holistic learning, and program development to successfully have a Master of Science for Technology in Schools.

CERTIFICATIONS

- Missouri Teacher Certification
- Kansas Teacher Certification
- Multicultural Certification

EDUCATION

University of Missouri

August 2017 – May 2021

3.85 GPA | *Bachelor of Science Elementary Education*
